Terms of Agreement

1. The Tennessee Department of Agriculture (TDA) provides funds through the Agricultural Resources Conservation Fund (ARCF) (TCA 67-4-409(l)) subject to ARCF Guidelines available at: <https://www.tn.gov/content/dam/tn/agriculture/documents/landwaterstewardship/Final%20ARCF%20Guidance.pdf>
2. The Estimated Incentive Payment Amount offered by the SCD through this Agreement is indicated in Item 8 below. There is no guarantee of additional financial assistance for unforeseen conditions which may arise/are not accounted for in the cost estimate.
3. Upon completion, BMPs installed on sites that drain into a waterbody impaired by agriculture as listed on the most recent *List of Impaired and Threatened Waters in Tennessee* or TDEC's Online Assessment Tool (available at: <https://tdeconline.tn.gov/dwr/>), are eligible for an incentive payment of **up to 85%** of the actual cost of the practice; subject to specific practice limits and provisions included in the Guidance, or the NRCS Total Estimated Incentive, **whichever is less**. The incentive payment for BMPs in all other watersheds is **up to 75%** of the actual cost of the practice, subject to specific practice limits and provisions included in the Guidance, or the NRCS Total Estimated Incentive, **whichever is less**.
4. Approval of BMP(s) eligible for incentive payments will be based on a United States Department of Agriculture-Natural Resources Conservation Service (NRCS) Conservation Plan and this Agreement. In accordance with the ARCF Guidelines, the cooperator/landowner agrees to maintain each BMP for its normal life expectancy as set forth in the NRCS Field Office Technical Guide (indicated below). If the land is sold, or if the land should pass to heirs before the end of the normal life expectancy of the BMP(s), I/we agree that the maintenance of the BMP(s) will be made a condition of the sale or transfer by securing the agreement of the new owners to the terms of this Agreement, or in the alternative I/we agree to reimburse the SCD a pro-rated amount for the shortened life of the practice.
5. All parties to this agreement warrant to hold harmless all other parties for any damages arising directly or indirectly from implementation of the BMPs listed below.
6. I agree that the Commissioner of TDA or their designee, the NRCS State Conservationist or their designee, or the SCD Supervisors or their employees may periodically enter my property for the purpose of determining compliance with this Agreement.
7. Based on the above, I hereby request approval of incentive payments for the following BMP(s):
